JMA PROGRAMMES

WELCOME FROM THE CHAIRMAN

Welcome back to the Memorial Ground as we start to enter the home stretch of this season and we welcome the players, officials & supporters of Epsom & Ewell to Farnham and hope that they enjoy their visit. The reverse fixture saw The Town return from Chipstead with all 3 points courtesy of goals from Jack May and Charlie Oakley. They've had a change of manager since then and since Sam Morgan has been given the reins, first as caretaker & more recently permanently they have surged up the table on the back of 7 undefeated (6 wins and a draw) so we know that we're in for a tough game today.

Since my last programme notes, The Town's own unbeaten start to 2020 in the league has continued in some style with last Saturday's victory away to British Airways making it 7 wins from 7 games. Against Everskey & California we ground out a result without perhaps ever being at our best whilst Fleet Spurs were left shell shocked by 2 excellent goals in the first 10 minutes from Charlie Oakley and whilst they continued to battle we were able to see out the game comfortably.

At British Airways last week, the lads were comfortable at 2-0 at half time but the referee seemed to decide to want to take centre stage from then on in – we've all taken great pride in The Town's excellent disciplinary record this season so when you receive 5 cautions, 1 sin bin and a member of the management team is dismissed from the dug out in a game that was played in great spirit by both teams, you have to question the officials performance. Neither team was happy and it was great tenacity from The Town that despite seeing the home side draw level through a very controversial penalty, being temporarily down to 10 men and the delay with the management dismissal that we were still able to regain the lead and prove good money for a 3-2 win.

These notes are written before our Cherry Red Premier Cup tie against Camberley Town on Tuesday which was switched to the Memorial Ground following storm damage at Krooner Park. Win, lose or draw, I've no doubt that the team will have acquitted themselves well against higher league opposition as we have already done on several occasions this season

Tuesday 18th then see us once more make the short journey to Ash United for our Surrey FA Premier Cup Quarter Final tie and hopefully my next notes will be talking about our semi-final opponents!!

Enjoy the game

“TURKS TALK”

Welcome back to The memorial Ground for our game against Epsom & Ewell. The games are coming at us thick and fast now with 2 games a week now becoming the norm

Fleet Spurs last week was another test for us. Surprisingly with the amount of games they have lost, they have still a chance of reaching a top 4 spot, and were lying 6th in the table before our encounter, so our attention had to be more focused than in the 2 games previous. The pitch conditions played a factor in the way we played and led to us going for a more direct style of play and we couldn’t have got off to a brighter start. A brace from Charlie Oakley within 10 minutes of the start sees us take an early 2-0 lead - A header in the 4th minute from close range, and a swivelled volley from a set piece that stunned everyone. It was a great start, and certainly what was needed as we caught Spurs cold and didn’t let them get into any kind of rhythm at all as we closed them down so they couldn’t string any passes together. They soon noted that a more direct game was needed and we shut them down quickly enough so that they couldn’t get the ball to their talisman André Smith who seems to be getting all their goals.

In the 2nd half they came out with a different approach to try and get something out of the match. First they went more physical, which we stood firm to & then they then tried a different formation, which again we denied by staying with our formation that was working. With no answers to us, they simply had no reply to get back into the match. So whilst we got a very good 3 points I can see how they have recently picked up points against top teams. They work hard and don’t stop which always gives them a fighting chance, but we got the job done and that’s all we needed to do.

Against British Airways they could have done two things. Either roll over and concentrate on the games against teams around them to try & secure their CCFL status for next year or they could give it a go and see what they get out of it. They chose the latter and had a go. We did go 2-0 up in the half with a brace from Matt Glass. A penalty 25 minutes in, and a nice low driven shot in the corner from 22 yards 3 minutes from half time to get back into scoring ways.

The second half became comical however. Not as a result of the players actions, but rather from the man in the middle. Valentines Day’s round the corner, so it seemed he wanted to send his cards out early, with the added mystery of not knowing what they were for. We certainly were no admirers of the way the ref approached he second half and consequently saw B.A get back into the game with 2 penalties. 2-2 swiftly followed by only our 2nd sin bin of the season and actually being on the ropes for a bit. But good teams find that extra character & that extra knockout blow, which we did from an Ashley Lloyd header from a free kick on the 75th minute that saw the ball sail past the keeper to restore our lead.

Fair play to B.A, they gave it a good go in the second half, but yet again we got the job done and that makes it 7 on the bounce and sees us extend our lead over the chasing teams as most didn’t play.

Hopefully we’ve got a positive result against premier side Camberley Town in the cup by the time you read this, and today we welcome a rejuvenated Epsom & Ewell who are themselves unbeaten in 7 games. So a big, big game for both sides, and I hope that the crowd today can play their part & help us on to another 3 points

CLUB HISTORY

Farnham Town Football Club is a senior level football club based In Farnham, Surrey, England.

Established in 1906 through the merging of Farnham Bungs (the Farnham Brewery) and the Farnham Star. The club was one of the founder members of the London Spartan League in 1975. They reached the Fourth Round of the FA Vase in the 1976-77 season.

At the end of the 1979/80 season Farnham Town left the London Spartan League and applied to the Combined Counties League, their application was accepted and they finished 4th in their first season. The 1986/87 season saw Farnham take second place to Ash United in the league campaign. The glory days finally arrived in the 1990/91 season when the club won the league title. In the 1991/92 season, the Town got a clean sweep of the major trophies by winning the Combined Counties Premier League, the Dan Air Elite Cup and the Dan Air Challenge Cup. Having won the league, the club applied and were accepted to the Diadora League, however funds for necessary ground improvements could not be generated which resulted in the club not having a league to play in for the 1992/93 season.

In 1993/94 Farnham Town were accepted back into the Combined Counties League where they continue to ply their trade. From 1995-1998 Farnham finished in the top six of the Premier Division for three consecutive seasons, in 1998-99 they finished in 13th position, then 10th in 1999-2000 before suffering relegation from the Premier Division in 2000-2001 season. They bounced straight back the following season but then endured four tough seasons back in the Premier Division, with bottom four finishes every season culminating in relegation back down to Division One in 2005-2006. Again, the club bounced straight back and in 2006-2007 they won the Division One title under the guidance of Barry Bridger, but were denied promotion due to the Memorial Ground not meeting the desired grading by the league. The club then spent another four seasons in Combined Counties Division One.

Farnham gained promotion from Combined Counties Division One in the 2010-2011 season after finishing second behind Worcester Park. In Paul Tanner's first season at the helm he gained automatic promotion back to the Premier Division at the first attempt, which after only retaining four members of the side from the previous year's squad - who finished mid-table, was quite an achievement. Paul Tanner's side also won the Combined Counties Fair Play Award for 2010-2011 after going the whole season without having a man sent off, a record to be proud of. In a very successful year for the club on the whole, Dean Nelson's reserve side finished second behind Mole Valley in the Combined Counties Reserve Division, improving on fourth position the previous season. Farnham Ladies also finished second in their respective league to cap quite a remarkable season in Geoff Chapple's final season as Chairman. In 2011, Ray Bridger took over as chairman from Geoff Chapple.

The 2015/16 season saw the club lift the Cherry Red Records Premier Challenge Cup whilst also reaching the final of the Aldershot FA Senior Cup

The 2017/2018 was ultimately one of disappointment to the club. A good start saw the club go on its best FA Vase run in decades, the defeat of higher league opposition in the County Cup and reaching 12th place on the back of a long undefeated run by early November. However defeat in the last minute of the FA Vase 2nd Round to Bridgwater Town marked a significant turning point and the club didn't win a single league match between 8th November and the season's end. This run led to the resignation of long serving manager, Paul Tanner, in February with first Paul Bonner and then Emmanuelle Boudine brought in to try and attempt to reverse the club's fortunes but alas it wasn't to be and The Town ended the season in last place and were relegated to the Combined Counties Division One. The one highlight of the latter half of the season however was the progression to the semi-finals of the Aldershot Invitation Cup where they lost to eventual winners Hartley Wintney

Luke Turkington arrived as manager in the summer of 2018 along with Lee Pollard as his Assistant. There was little success in any of the cup competitions but in the league The Town made all the early running until hitting a sticky patch from mid-January until late February. The club recovered to finish the season strongly but with only 1 guaranteed promotion place this blip in form ultimately proved costly.

There is renewed optimism at the start of the 19/20 campaign and with early indications that the top 3 will go up, everyone at the club is hoping for a promotion charge

OPPOSITION - EPSOM & EWELL

We were founded in March 1918 as Epsom Juniors Cricket Club and played throughout the summer. In the autumn, Epsom Juniors F.C. came into being and played a handful of games from what is now known as Alexandra Recreation Ground. Competitive football followed as we entered the Surrey Junior League in 1919, and became founder members of the Sutton & District League in 1920.

A change of name in July 1922 to Epsom Town F.C. heralded the start of a very successful era. By now resident at the Horton Hospital Sports Ground, we were unfortunate to lose 2-1 after extra time at Dorking F.C.'s Pixham Lane ground to Caterham Mental Hospital in a replay of the Surrey Junior Cup Final. However, we won three other trophies that season, the Leatherhead Hospital Shield, the Sutton Hospital Cup, and the Epsom Hospital Cup. In addition, we also won the Sutton & District League, and under the forward thinking of their visionary Chairman Hugh Bradley, took the step into Intermediate Football, where we won the Southern Suburban League without losing a match. Senior football was granted as we were unanimously accepted into the Surrey Senior League for 1924/25, where we finished third.

In September 1925, the club relocated to the old Ewell F.C. ground at West Street, which was purchased through the generosity of our future President Robert Bradshaw. In 1925/26 the Championship of the Surrey Senior League was attained, and the following season, we defeated Egham 1-0 at Egham in the League Charity Cup to complete a League and Cup "double".

Election to the London League followed, and the title was claimed in the first attempt in 1927/28. Unfortunately, we were unable to repeat this, instead finishing runners-up in 1931/32, 1932/33, 1934/35, 1936/37 and 1937/38. Cup Honours were limited, although in 1929 Redhill defeated us 3-2 in front of 4,600 at Guildford in our first Surrey Senior Cup Final, having seen off Wimbledon 4-1 in the semi-final!

The thirties were a very successful era, and we won the Surrey Charity (Senior) Shield in 1933 with an impressive 5-0 win over Woking at Kingfield. However, the proudest moment of our pre-war history was an appearance in the First Round Proper of the F.A.Cup in 1933/34. Woking (after a replay), Nunhead, Tooting & Mitcham, Beddington Corner, and Leytonstone were defeated, and a crowd of 9,485 at the Lea Bridge Speedway Stadium witnessed a 4-2 loss against the hosts Clapton Orient. At the end of that season we changed our name to Epsom F.C.

In 1939 a newly formed team, Epsom Town (no connection to the earlier name) shared the ground with Epsom F.C. However, this arrangement was suspended when war was declared, and we folded for the duration. In the meantime, Club Chairman Charles Pettett threw in his lot with Epsom Town in an attempt to boost morale by keeping the football flag flying. It was successful, as that club competed continuously throughout the war years, winning the Surrey Combination in 1939/40, and reaching the Surrey Senior Cup Final in 1944, losing 3-1 to Tooting & Mitcham, at Sandy Lane. After the war, Epsom F.C. restarted, continuing in the London League and reclaimed West Street. Temporary homes were found for Epsom Town while they competed for a season in the newly created Corinthian League, but disbanded in 1946.

In 1949 we entered the Corinthian League ourselves, where in 1952 we reached the League Memorial Shield Final in 1952, going down 2-1 to Champions Hounslow at Eastbourne after leading at half-time. Things improved further with the signing of the former English Amateur International Pat Lynch from Hendon, finishing third in 1952/53, while in 1954 we reached the Surrey Senior Cup Final for the second time in our history, losing unluckily 2-0 to Corinthian Casuals in front of 6,159 at Selhurst Park. In 1955 we won the Surrey Senior Shield with a 1-0 win over Carshalton Athletic at West Street.

We appointed our first ever Manager, Kingstonian legend Doug Whitehead in 1955 and the Corinthian League double was almost achieved in 1956/57, but two losses in the final week, along with a 2-0 defeat in the Cup Final to Maidenhead United at Dorking ensured that we ended with neither, finishing fourth. However in 1960, we finally raised the Shield with a 2-0 revenge win over Maidenhead at Vale Farm, home of Wembley F.C.

In 1960 we changed our name once again to Epsom & Ewell F.C. This was not because of any merger with Ewell & Stoneleigh as is often quoted, but was an attempt to increase support across the whole of the Borough. In 1963 the Corinthian League merged with the Athenian and Delphian Leagues, and we were placed in Division One of the new structure, but the sixties were full of poor results and we were relegated in 1965.

Despite a string of managers, most notably ex-Leyton Orient winger Jimmy Smith, and Tony Williams, now famous for his creation of the F.A. Yearbooks, our fortunes did not improve significantly and further relegations were avoided in the early seventies by the benefit of re-election. However in 1973, despite "improving" to finish second from bottom, the Athenian League ran out of patience and cut us loose. This was unfortunate timing as we had just cleared all of our debts, and in addition to a virtually new Committee, former Fulham player Pat O'Connell had taken over as Manager.

The Surrey Senior League took us in at the last minute, and the new squad, including young striker Tommy Tuite, won the League Cup, and the following season, 1974/75 achieved a second Surrey Senior League "double". However, the season would always be remembered for reaching the Final of the inaugural F.A. Vase, where 9,500 saw the Blues edged out 2-1 by Hoddesdon Town at Wembley Stadium. The Athenian League welcomed us back, and promotion to the top flight was achieved in that first season. In 1976/77 we reached the Athenian League Cup Final, losing 1-0 at Chalfont St Peter.

OPPOSITION - EPSOM & EWELL

By then, we knew that we had been invited to join the expanding Isthmian League for 1977/78, and were placed in the new Division Two. Our first match under floodlights took place against Met Police in August 1977, and the title was clinched the following April, securing a move to Division One. In 1979/80 we won the Southern Combination Cup 7-2 over Hampton on their own pitch, where the opposition were blitzed by five goals from Tuite. The following season a new clubhouse opened at West Street, and we finally won the Surrey Senior Cup, defeating Woking 2-1 at Tooting & Mitcham, although we just missed out on promotion. In 1983/84 we clinched a spot in the Premier Division as runners-up, although this time we missed out in the Surrey Senior Cup Final, defeated 4-0 by Sutton United at Imber Court.

With Adrian Hill as Manager since 1982, we survived comfortably in our first season at the new level, but Hill's departure to Croydon in 1985 started a decline. Much of the squad left with Hill, and new Manager Alan Webb had too much to do. We were relegated in 1986, and following Webb's departure soon after, Player / Manager Ricky Kidd nearly but not quite saved us from our second straight relegation. Adrian Hill replaced Kidd for a second spell at the helm in 1990, but we were placed in the new Division Three in 1991 in league reorganisation following a finish one position below the required half way mark.

In 1993 a large chapter in our history ended as we left West Street and moved in as tenants of Banstead Athletic. The decade was largely one of frustration, although we did reach the Final of the Associate Members Trophy, losing 2-0 to Bedford Town at Hendon's old Claremont Road ground.

In 2002 Adrian Hill took us back up to Division 1 South, where we topped the table for a month, eventually finishing 9th, but Hill's retirement at the end of the season led to relegation a year later and then in 2006 we were transferred into the Combined Counties League Premier Division. In October 2006 Lyndon Buckwell, a former player became our new Manager, and in his first full season (2007/08) we were back in the top ten. In 2008/09 we exceeded this achievement and finished in fourth place after heading the table for a few months. In 2009/10 the club recovered from a slow start to finish fifth and also reached the last 32 of the F.A.Vase for the first time in 21 years, bowing out 3-2 in Northamptonshire to Long Buckby. In April of 2010 we terminated our seventeen-year ground sharing agreement with Banstead Athletic and spent two unspectacular seasons at Merstham F.C. before relocating to High Road, home of Chipstead F.C. for the 2012/13 season.

The season brought significant playing success as a slow start was followed by a spectacular run of form, including a club record 12 straight League wins, which put us at the top of the table for over a month before a tough run in resulted in a final position of fifth. However, any disappointment there was tempered by the club's first silverware since 1981 when we defeated South Park 3-0 at Farnborough to win the Combined Counties League Cup. Lyndon also marked 300 games in charge of the club in early 2013. On a sadder note, 2012/13 also marked one thousand games since we left West Street.

We carried our fine form into 2013/14 and led the league with eight straight wins but couldn't hold on and had to settle for third place, our highest league finish since 1984, but the following season Lyndon Buckwell departed and Glyn Mandeville and new Assistant Matt Smith steered the club to seventh place, despite a substantial budget cut and this improved to fourth place in 2015/16.

In the summer of 2016 our club visited France and played a friendly against our twin town Chantilly, which was where the England team had been based before their Euro 2016 campaign. The players were able to meet Roy Hodgson and Gary Neville and performed admirably as ambassadors for our town.

In 2016/17 we started the season with an incredible 9-2 win at newly promoted Bedfont & Feltham in a match where we had trailed 2-0 at half time and went on to repeat our fourth place finish in the League. In addition, we reached the League Cup Final but were defeated 4-1 by Westfield at Windsor FC.

However, in summer 2017, we suffered a large player exodus with a substantial number joining local rivals Sutton Common Rovers. Glyn was unable to replace them with enough players of real quality and three quarters of the season was pent at the foot of the table. Glyn's resignation in January 2018 led to the club promoting our Coach Neil Grant into the Manager's role and although he managed to get us off the foot of the table, relegation was always likely and was confirmed in mid-April; not a great way to celebrate our Centenary!

The attempts at bouncing straight back did not start particularly well and Grant departed in October. He was replaced by Simon Funnell, who stepped up from his Assistant role and oversaw a good run of results which took us back up to the fringes of the promotion race, before a defeat to Frimley Green derailed our season and we tailed off to finish in eighth position. We had the consolation of reaching the Division One League Cup Final at Meadowbank, home of Dorking Wanderers, but again Frimley Green stood in our way and defeated us by the only goal. We now commence our eighth season at High Road with a clear target of promotion back into the top flight of the Combined Counties League through one of the four promotion spots that are available this year.

Meanwhile, the search continues for a new ground back in the Borough…..
